Public Gathering Terms and Conditions

- Maximum group size is 25 people (or fewer when public health restrictions dictate).
- Each participant must possess a valid National Park pass.
- Follow [Keep the Wild in Wildlife](#) and [Bare Campsite](#) recommendations. Maintain a clean site during the event and store wildlife attractants (any item associated with food) in a hard sided vehicle when not in use. Ensure a thorough cleanup of the site immediately following a function.
- There are no exclusive rights to an area. Areas cannot be set aside and reserved for your personal event. The following is not permitted: setting up decorative arches, decorations, signs directing participants to your event, extra chairs, tables or shelters/small canopies.
- Releasing paper lanterns or balloons, and throwing confetti, rice flower petals, or other is not permitted.
- Open alcohol is not permitted in public places, in compliance with the [Gaming, Liquor & Cannabis Act](#) of Alberta.
- Speaker systems and gas powered generators are not permitted. Excessive noise including loud music and unruly behaviour will not be tolerated.
- Group transportation such as car-pooling is encouraged to reduce parking congestion.

Waterton Lakes National Park

- Fires are only allowed at locations where a stove or fire grate is provided. Firewood is available for purchase at several stores within the community.
- Day use areas close at 11 pm (23:00 hours).
- The organizer accepts full responsibility for any incidents, and may be responsible for any clean up costs related to the gathering.

- I have read and agree with the small public gathering terms and conditions for Waterton Lakes National Park.**
- I understand my responsibility to ensure this small gathering must comply with federal and provincial Public Health restrictions and measures in effect at the time of the gathering.**
