## **SNOWMOBILING TO CLOSE FOR THE 2018 SEASON IN GROS MORNE NATIONAL PARK FOR PUBLIC/COMMERCIAL PERMIT HOLDERS**

**ROCKY HARBOUR, NL, April 24, 2018** – April 30, 2018 marks the end of the snowmobiling season in Gros Morne National Park for Public/Commercial Snowmobile Permit Holders as per the conditions of the permit required to access the national park by snowmobile.

While sometimes snow conditions remain favorable for riding in the snowmobile corridors late into spring, especially in higher elevations, the dates set in our permit allow the protected ecosystems of the national park time to adjust to the changing seasons.

We thank snowmobilers for staying safe, respecting the designated corridors, and working with our staff to protect and preserve our environment. By following the conditions of the snowmobile permits, riders have helped to ensure that the important ecosystems of Gros Morne National Park are protected into the future.
